### **How to create a special game room for the tournament**

- During the tournament period, participants will be having a special option in the "Create new game" window in the Dojo app to create a "Tournament Room" for the tournament – "Preliminary FESA Rapid". Check whether your opponent set your game and join him or set the game by own and wait for the opponent.
- Only the participants of this tournament can challenge the player waiting in the corresponding Tournament Room.
- All games must be played in this special Tournament Room so as to be automatically counted in the match table.
